Subject: Transmittal of Occupancy Permit Determination for Property at 2957 Lincoln Blvd. (11OC-018)

## Introduction & Discussion

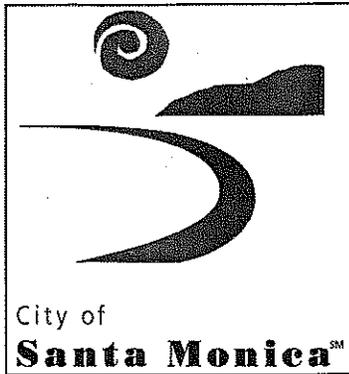

Attached for the Council's information is a copy of an Occupancy Permit determination for the property at 2957 Lincoln Blvd. The Rent Control Board confirmed that two units were withdrawn from the market on July 31, 2009. Pursuant to SMMC Section 4.32.130(a), no property or rental units which have been withdrawn pursuant to the Ellis Act shall be subsequently occupied unless an occupancy permit is obtained. Pursuant to SMMC Section 4.32.130(c)(1) an occupancy permit for residential occupancy shall be approved if the Planning Director finds that no more than one unit on the property will be occupied by owners of the property. In such situation, other units on the property may be occupied, provided such occupants do not have any ownership interest in the property and do not pay rent as defined in Section 1801(f) of the City Charter. The application for Occupancy Permit 11OC-018 for 2957 Lincoln Blvd. conforms to these provisions.

The applicant proposes to convert a two-unit, multifamily rental building into a non-rental property with the owner occupying one unit as a dwelling. The other unit will be occupied by a family member who does not have an ownership interest in the property and does not pay rent. The determination granting the Occupancy Permit (11OC-018) was issued on February 14, 2012. Pursuant to SMMC Section 4.32.130 (d) the Planning Director shall make a written report to the Planning Commission and the City Council within 5 days of approving an occupancy permit.

According to SMMC Section 4.32.130(d), the decision approving this Occupancy Permit may be appealed to the Planning Commission in accordance with the provisions in SMMC Section 9.04.20.24. Any decision of the Planning Commission may be further appealed to the City Council in accordance with the same provisions.
