Rotating Nozzles Qualifying Products List November 17, 2009

(Must be installed with individual pressure regulating devices; see reverse side for list of qualifying devices)

The following rotating nozzles must each be installed with its own pressure regulating device to qualify for a rebate. Rebates will only be honored for the matched quantity of rotating nozzles and pressure regulating devices purchased. Example- If a customer purchases 32 rotating nozzles but only 26 pressure regulating devices, a rebate will be allocated for 26 nozzles.

****Not all nozzles are compatible with all pressure regulating devices. Compatibility is listed, but check with your local contractor to verify.****

Key: Match color on Rotating Nozzle List to color on Pressure Regulating Device List for compatible models.

Pressure Regulating Devices

Qualifying Products List

November 17, 2009

(Must be installed with individual rotating nozzle; see reverse side for list of qualifying models)

The following pressure regulating devices must each be installed with each rotating nozzle to qualify for a rebate. Rebates will only be honored for the matched quantity of rotating nozzles and pressure regulating devices purchased. Example- If a customer purchases 32 rotating nozzles but only 26 pressure regulating devices, a rebate will be allocated for 26 nozzles.

****Not all nozzles are compatible with all pressure regulating devices. Compatibility is listed, but check with your local contractor to verify.****

Key: Match color on Rotating Nozzle List to color on Pressure Regulating Device List for compatible models.
