

Federal Aviation Regulations

Subpart B - Flight Rules

Section 91.91 Temporary Flight Restrictions

- (a) Whenever the Administrator determines it to be necessary in order to prevent an unsafe congestion of sight-seeing aircraft above an incident or event which may generate a high degree of public interest, or to provide a safe environment for the operation of disaster relief aircraft, a Notice to Airmen will be issued designating an area within which temporary flight restrictions apply.
- (b) When a Notice to Airmen has been issued under this section, no person may operate an aircraft within the designated area unless:
 - (1) That aircraft is participating in disaster relief activities and is being operated under the direction of the agency responsible for relief activities;
 - (2) That aircraft is being operated to or from an airport within the area and is operated so as not to hamper or endanger relief activities;
 - (3) That operation is specifically authorized under an IFR ATC clearance;
 - (4) VFR flight around or above the area is impracticable due to weather, terrain, or other considerations, prior notice is given to the Air Traffic Service facility specified in the Notice to Airmen, and enroute operation through the area is conducted so as not to hamper or endanger relief activities; or,
 - (5) That aircraft is carrying properly accredited news representatives, or persons on official business concerning the incident or event which generated the issuance of the Notice to Airmen; the operation is conducted in accordance with 91.79 of this chapter; the operation is conducted above the altitudes being used by relief aircraft unless otherwise authorized by the agency responsible for relief activities; and further, in connection with this type of operation, prior to entering the area the operator has filed with the Air Traffic Service facility specified in the Notice to Airmen a flight plan that includes the following information:
 - (i) Aircraft identification, type and color.
 - (ii) Radio communications frequencies to be used.
 - (iii) Proposed types of entry and exit of the designated areas.
 - (iv) Name of news media or purpose of flight.
- (v) Any other information deemed necessary by ATC.
