Re: 1600 Santa Monica Blvd 7- Eleven (19ENT-0469, 19ENT-0469)

Dear Planning Commission,

I have lived in the neighborhood for 10 years and always stop by this 7Eleven. The owner John is a great guy and he hires employees who live in the neighborhood who are always helpful and courteous.

I was the customer who requested that Santa Monica Brew Works beverages be sold in the store. The store carries a few local products, always a good idea.

I really am really looking forward to the expanded store, more products and I'm hearing an upgraded interior.

Please support John Garcha in approving the expanded store and continued beer and wine sales.

Thank you.

Re: 7-Eleven at 1600 Santa Monica Blvd. (19ENT-0469, 19ENT-0468)

Dear City Planning Commission,

I have been a customer of this 7-Eleven for many years. This 7-Eleven has been a go to shopping during this Pandemic.

The staff here is always friendly and helpful. The store is clean and well organized and it's always pleasant to shop there. It's convenient location and everything is fresh. The coffee is better than Starbucks. The manager ordered my wife's favorite rose wine which we enjoy with our dinners during the summer months.

This 7-Eleven is our Neighborhood Market and has been in business since the 1970's and I love their fresh sandwiches and healthy bars.

On behalf of all my neighbors, please support our neighborhood 7-Eleven's plans to expand their store and their continued sale of beer and wine.

Thank you.

Re: 7- Eleven at 1600 Santa Monica Blvd. (19ENT-0469, 19ENT-0469)

Dear Chairperson,

I have been a customer of this 7- Eleven for over 10 years. The store has been great especially during this Corvid crisis.

The store manager has been great in bringing in special products for local customers including Santa Monica Brew Works Beer (in support of another local Santa Monica business!).

This 7 Eleven is our Neighborhood Market and has been in business since the 1970's and I love their fresh sandwiches and healthy bars.

Please support their expansion permit and sale of beer and wine.

Thank you,

Ladies and Gentlemen,

Great 7- Eleven. I can walk to this market in less than 5 minutes.

I stop by this location all the time on my way to work because it's convenient. The coffee area is clean and well supplied. All in all, great market with an excellent selection of wines.

Please approve the expansion of this wonderful store and continued sale of beer and wine.

Thank you.

Dear Planning Commission,

Great 7-Eleven.

This is where I see everyone in this neighborhood shop. Employees are always really nice the store is clean and they sell local products!

This business has been in this community for over 40 years. The sandwiches are always fresh, the coffee always hot and they carry the products that I need.

Please support 7-Eleven's applications for their expansion and continued beer and wine sales.

Thank you.

Re: 1600 Santa Monica Blvd 7- Eleven (19ENT-0469, 19ENT-0469)

Dear Planning Commission,

Please support John Garcha with his Permits. This 7 Eleven has saved me on many occasions when I come home late and everything is closed. I live in an apartment down the street and don't keep very much in my refrigerator. This 7 Eleven always has fresh sandwiches and fruit and allows me to walk to the store and not have to get into my car, which is important because it's hard to find parking sometimes.

Please allow for the expansion and continued beer and wine (they carry my favorite Rose especially for me!)

Thank you.

Re: 1600 Santa Monica Blvd 7- Eleven (19ENT-0469, 19ENT-0469)

Dear City of Santa Monica,

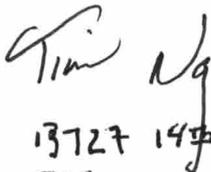

When the recent riots took place this 7 Eleven was destroyed. The store opened 2 days later in spite of the damage. The effort that owner made to his keep his store open was really appreciated by everyone in the neighborhood.

Now the owner wants to expand the store into a commercial space which has always seems vacant. The increased product selection will make this store even more neighborhood friendly. It always great to have a "neighborhood market" in the community.

Not having to "drive to the store" is a real plus, besides this store has been here for over 20 years and people have come to depend on it..

Please support 7 Eleven in expanding this store and keep the beer and wine sales.

Thanks,
