

Santa Monica Municipal Airport

April 18, 2017

Dear Key Stakeholder,

As you know, the City of Santa Monica is considering various design concepts to shorten the runway to 3,500 feet of operational length. We are committed to keeping the Airport Stakeholders informed of the developments regarding the Runway Project and want your input.

A Stakeholder Meeting will be held:

Where: Museum of Flying
3100 Airport Avenue
Santa Monica, CA 90405

When: Tuesday 25, 2017
10:00am – 12:00pm

The agenda includes a presentation to review of the status of the Runway Project and share the City's process moving forward.

Thank you and we hope to see you at the meeting.

Sincerely,
