

PAL has re-opened for youth offering a combination of indoor and outdoor activities. Youth are assigned to a cohort and will experience a variety of educational enrichment, recreation and sports activities.

PAL and the City of Santa Monica continue to place the highest value on the health and safety of our community. Taking our guidance from the LA County Public Health Guidelines for School Age Day Care Facilities, additional mandatory safety protocols and procedures have been implemented in an effort to keep us all as safe as we can be during this time.

Please contact the PAL office for registration information.

PAL is FREE to youth ages 6–17 who live or attend school in Santa Monica!
