County Auditor-Controller:

This letter is to notify you that we are requesting that every redevelopment agency's successor agency complete and return the Asset Transfer Assessment form included with this letter. This assessment form will be used as part of the upcoming field review of your county's successor agencies to determine the value and status of all former RDA assets, as well as to identify improper asset transfers. Please send this assessment form to the appropriate successor agency representatives in your county as soon as possible since the form is due back to the State Controller's Office by **April 16, 2012**.

Pursuant to Health and Safety Code section 34167.5, the Controller is reviewing "the activities of redevelopment agencies in the state to determine whether an asset transfer has occurred after January 1, 2011, between the city or county, or city and county that created a redevelopment agency or any other public agency, and the redevelopment agency." The period to be reviewed will be between January 1, 2011 and January 31, 2012.

Additionally, if a city, county, or other public agency, directly or indirectly, received any ineligible assets from a redevelopment agency after January 1, 2011, it will be ordered to immediately reverse the transfer and return the applicable assets to the successor agency of the relevant redevelopment agency. This order applies in all situations except if the city, county, or other public agency has previously contractually committed to a third party for the expenditures or encumbrance of a specific asset. Such a commitment must be in place prior to June 29, 2011.

This order applies to all transferred assets, including, but not limited to, real and personal property, cash funds, accounts receivable, deeds of trust and mortgages, contract rights and any rights to payment of any kind. This order directly applies to economic development corporations, joint powers authorities, or other public agencies that received assets, directly or indirectly, from a redevelopment agency after January 1, 2011. Ineligible asset transfers must be reversed. If you have any question as to whether a particular asset must be returned, you should place such assets into a reserve pending our review and you should not engage in any attempt to encumber or expend such assets.

“Carrying Value” or book value represents the purchase price (cost) less allowed depreciation.

“Transfer of Assets” column are any assets that the redevelopment agency transferred to the successor agency, the city, or any other public entity between the dates of January 1, 2011 and January 31, 2012.
