

Water Neutrality Submittal Steps: New or Enlarged Pools, Spas, Ponds and/or Water Features

Please call 310-458-8972, x2 or email savewater@smgov.net with any questions.

Submittal Steps

1. Obtain a hardcopy Water Neutrality (WN) Pool Calculator in one of the following ways:
 - Download and print from www.sustainablesm.org/water
 - ...or...
 - From a Permit Specialist at the public counter at City Hall

2. Complete the WN Pool Calculator for your project:
 - Select Offset Option
 - Calculate the New Water Demand

3. Submit your completed WN Pool Calculator for review in one of the following ways:
 - Email a scanned copy to savewater@smgov.net
 - ...or...
 - Submit to a Permit Specialist at the public counter at City Hall

4. You will be sent a City-stamped copy of your WN Pool Calculator upon approval.

5. Submit your stamped WN Pool Calculator copy with other permit documents to a Permit Specialist at the public counter & pay applicable fees.
