The cities of Santa Monica, Beverly Hills, Los Angeles, and other neighboring cities welcome Dr. William Lord and Dr. William Hunt of North Carolina State University's Stormwater Education Program to host a training session on stormwater best management practices (BMP) maintenance, and post-construction inspections. The course will end with an exam & a passing score will earn a Certificate of Completion (TBD).

### **Course goals:**

1. Stormwater - how it affects water quality, and the regulations associated with it.
2. Stormwater Management Devices - what they are and how they function.
3. Inspection and Maintenance Requirements
