# OVERSIZE LOAD PERMIT SPECIAL PROVISIONS

PERMIT NUMBER          (staff use only)
---

I. Business Auto and Commercial General Liability Insurance:

Insurance requirements for single/round trip oversize load permits are as follows:

- a) Certificate of Insurance in the amount of One Million dollars (\$1,000,000.00) combined single limit per accident/occurrence. Commercial General Liability insurance is required only when mobile equipment is involved.
- b) The City of Santa Monica, members of its City Council, boards and commissions, officers, agents, employees and volunteers are to be covered as additional insureds with respect to any liability arising out of activities performed by permittee related to said permit. The coverage shall contain no special limitations on the scope of protection afforded to the City, members of the City Council, boards and commissions, officers, agents, employees and volunteers.
- c) The Permittee's insurance coverage shall be primary insurance as respects the City of Santa Monica, members of its City Council, boards and commissions, officers, agents, employees and volunteers. Any insurance or self insurance maintained by the City, its officials, employees and volunteers shall be in excess of Permittee insurance and shall not contribute with it.
- d) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled, reduced in coverage or in limits except after (30) days prior written notice has been given to the City.
- e) Insurance is to be placed with admitted insurers or with insurers having an A.M. Best rating of no less than A:6.

Permittee agrees to defend, indemnify and hold harmless the City of Santa Monica, members of its City Council, boards, and commissions, officers, agents, employees and volunteers from any claim, liability, judgment, or damage arising out of or resulting from the exercise of the rights granted hereunder, regardless of any active or passive negligence by the City; except when such liability arises from the sole negligence or wrongful misconduct of the City. Insurance requirements can only be modified by approval of the City's Risk Manager.

II. General:

This permit is restricted to the load specified on the reverse side. All dimensions and weight include both load and vehicle. It shall be the responsibility of the permittee to check all trees, underpasses, bridges, overhead wires, or other structures over the street for impaired vertical and horizontal clearances and weight limits, and to bypass or arrange clearances at such obstructed locations. This permit is restricted to routes on the Transportation Management Division's "TRUCK ROUTE MAP" and local streets that provide the most direct connection from the authorized routes to the delivery or pick-up location.

III. Warning Signs:

Warning signs shall be provided as set forth in Section 502.9 of the Caltrans Transportation Permits Manual.

IV. Oversize Load Signs and Pilot Cars:

- OVERSIZE LOAD signs shall be provided for vehicles and loads over 8'6" in width.
- OVERSIZE LOAD signs shall be provided for vehicles and loads over 65' in length.
- Pilot cars shall be provided for vehicles and loads over 10' in width or over 100' in length; signs shall be placed on the front of the tractor and on the rear of the load in letters at least 10 inches high.
- Any oversize load over 10' wide moved during hours of darkness shall be preceded by a separate vehicle carrying on its front a sign reading "WIDE LOAD FOLLOWING" in letters at least 10 inches high.

V. Weight:

Route approval is required for:

- a) Maximum gross weight over 80,000 pounds, or
- b) Single axle weight over 20,000 pounds, or
- c) Tandem axle weight over 34,000 pounds
