POSTING REQUIREMENTS FOR TEMPORARY NO PARKING (TNP) SIGNS

ON TREES:
- Fasten with twine, zip ties, or clear tape
- No nails, screws, staples, or wires
- No nails from the tree

ON STREET LIGHTS OR UTILITY POLES:
- Fasten with twine, wire, zip ties, or clear tape

ON STREET SIGNS:
- Install below existing signage, fasten with twine, wire, zip ties, or clear tape
- If the TNP sign cannot fit below the existing signage, fasten adjacent to the existing signage

ON PARKING METERS:
- Fasten below the existing signage with twine, wire, zip ties, or clear tape

ON WOOD STAKES:
- Fasten with 1/2" staples, nails, twine, wire, zip ties, or clear tape

NOTES:
1) Fasten TNP signs securely - at top and bottom at a minimum.
2) Do not cover any existing signage.
3) Install TNP signs facing oncoming traffic and at a 90-degree angle to the street (like a stop sign).
4) TNP signs must be unobstructed and clearly visible from the street.
5) Do not post TNP signs on trees if 5'-0" minimum to the bottom of the sign cannot be obtained.

### TEMPORARY NO PARKING (TNP) SIGNS POSTING GUIDELINES

In block letters, a minimum of 1-inch high, **clearly** print the effective day(s), date(s) and hours on the black background of each sign that is posted. See chart below for examples of formatting.

<table>
<thead>
<tr>
<th>Type of Use</th>
<th>Examples of language</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 day, 24 hours</td>
<td>TUESDAY 9/20/18 24 HOURS</td>
<td>- For dumpsters and moving containers – fixed, not moved during the permitted time, issued by Public Works Department</td>
</tr>
<tr>
<td>Multiple days, 24 hours</td>
<td>MON thru FRI 6/18/18 thru 6/22/18 24 HOURS</td>
<td>- Time period starts at midnight (12:01 a.m.) and runs until midnight (11:59 p.m.) of the day(s) indicated.</td>
</tr>
<tr>
<td>Multiple days, less than 24 hours on some days</td>
<td>TUES 9/20/18 4 PM thru THUR 9/21/18 NOON</td>
<td>- For vehicles used for moving purposes that extend overnight-issued by Mobility Division</td>
</tr>
<tr>
<td>1 day, specific times</td>
<td>TUESDAY 9/20/18 8 AM – 6 PM</td>
<td>- For vehicles requiring specific start and stop hours on different days with at least one day overnight</td>
</tr>
<tr>
<td>Multiple days, specific time</td>
<td>MON thru FRI 6/18/18 thru 6/22/18 NOON – 6 PM</td>
<td>- For construction vehicles and equipment – moved at the end of the day, issued by Public Works Department. Not for working, deliveries, or parking on Sundays. Construction work is permitted on Saturday between 9 AM and 5 PM only.</td>
</tr>
<tr>
<td>Multiple days, multiple times</td>
<td>MON thru FRI 6/18/18 thru 6/22/18 8 AM – 6 PM SAT 9/24/18 10AM – 2PM</td>
<td>- Large moving vans/trucks, specialty services vehicles, and detached trailers may park any day of the week but require an Overnight Oversize permit from SMPD if parked after dark. Signs issued by the Mobility Division see <a href="http://www.smpd.gov/oversize">www.smpd.gov/oversize</a></td>
</tr>
</tbody>
</table>

Write the sales receipt/permit number in black waterproof marker on the white background (adjacent to the word “NO”) on each posted sign. Directly under the permit number, on the first sign facing oncoming traffic print the word “BEGIN” and the last sign, print “END” printed under the number. When sign is to be used on a parking meter, write “#” followed by the meter number below the permit number, without either “BEGIN” or “END.” Please do not write the quote marks. See page 2 of this document for more information.

- **POST**: TNP signs must be posted by the permittee and inspected by the Santa Monica Police Department (SMPD) a maximum of 72 hours and a minimum of 24 hours before the date and time they are to take effect (per California Vehicle Code Section 22651M). **If the signs are not inspected at least 24 hours prior, they CANNOT be enforced as tow-away signs.** If the days, dates or hours change after SMPD inspection, you must contact the issuing division for instructions how to revise the signs, obtain a revised permit, re-post the signs, and then call SMPD to request re-inspection of the signs a minimum of 24 hours prior to changed schedule.

- **CALL**: You or your designee must have receipt/permit in hand and be present at time of SMPD inspection. To request inspection, contact Traffic Services daily between 9 a.m. and 6 p.m. or SMPD dispatch. Please speak directly with one of the operators to request an inspection; do not leave a voice mail. **SMPD telephone numbers are underlined below.**

- TNP signs SHALL NOT cover or obscure existing signs or parking meter heads.

- TNP signs must be **unobstructed** and clearly **visible** by drivers on the street. Post the TNP signs:
  - Facing oncoming traffic, directly below existing signage, and at a 90-degree angle to the street (like a STOP sign)
  - Fastened at both top and bottom according to the chart on page 2, or stapled to a stake in several points

- Except when posted on a parking meter, a minimum of two TNP signs are always required with a maximum of 30' (thirty feet) between them. When the distance exceeds 30' (thirty feet) in length, additional signs should be placed in between the "BEGIN" and "END" signs, with all signs placed a maximum of 30' (thirty feet) apart.

- **REMOVE**: To avoid the current $198.45 per sign removal fine and fee, Permittee shall remove TNP signs promptly upon completion of need, or expiration of the permits, whichever comes first. Signs not removed after they expire will be removed by the City and the removal fine assessed. Only City-issued TNP signs with valid receipts/permits that have been properly posted in accordance with these guidelines will be enforced, all other TNP signs will be removed, and the removal fee and fines will be assessed against the person posting the signs.

- **RECYCLE OR REUSE**: When permitted, please save the signs to reuse or place them in the recycling bin, stakes included. Email the issuing division about reusing the signs at least one week in advance of the desired use date.

---

**FOR INSPECTION & ENFORCEMENT OF SIGNS, INCLUDING TOWING, PLEASE CALL POLICE DEPT:**
- SMPD Traffic Services 310.458.8466 x 4 (9 AM – 6 PM daily)
- SMPD Dispatch 310.458.8491 (24 hours/day)
