

CERTIFICATE OF ADMINISTRATIVE APPROVAL DETERMINATION

| | |
|----------------------------|--|
| Case Number: | 20ENT-0056 |
| Location/Zone: | 2634 Third Street / OP2 District (Third Street Neighborhood Historic District) |
| Proposed Project: | Request to allow foundation retrofit of the subject single-unit residence (contributing building) located in the Third Street Neighborhood Historic District. |
| Applicant: | Omega Structural (Edward Escobar) |
| Rent Control Status: | N/A |
| CEQA Status: | Categorically exempt from the provisions of California Environmental Quality Act (CEQA) pursuant to Section 15331, Class 31 of the State Implementation Guidelines in that the project consists of foundation retrofit which will be done in a manner consistent with the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings (1995), Weeks and Grimmer. |
| Previous Relevant Permits: | None |

This Certificate of Administrative Approval is:

- Denied.
- Subject to separate administrative or discretionary review.
- Granted with the following findings and conditions:

FINDINGS:

1. The proposed project is included within the list of work enumerated in SMMC

Section 9.58.020(C)(2)(b) in that the proposed scope of work consists of foundation work (other than general maintenance) to a contributing building within the Third Street Neighborhood Historic District.

2. The proposed project is not detrimental to the character of the structure in that the proposed foundation retrofit work for the residence will occur below grade. The scope of work involves removing soil around the current building footings and piers below the structures to allow for foundation replacement including new footings and structural reinforcements. The scope of work will not negatively affect the existing hardscape and landscape material, and will not alter the exterior of the buildings. As such, the proposed work will not negatively alter any character-defining features of the property and will be done in a manner consistent with the Secretary of the Interior's Standards for the Treatment of Historic Properties.
3. The proposed project does not detract from the integrity of the District in that the proposed scope of work is limited to foundation work below the existing structures and will not alter the appearance of the buildings. The proposed work will improve the structural integrity of the buildings and will not detract from the integrity of the Third Street Neighborhood Historic District.

CONDITIONS, MUNICIPAL CODE REQUIREMENTS AND OTHER NOTATIONS:

1. This approval is to allow the following scope of work for the residence located at 2634 Third Street:
 - Foundation retrofit work below the existing structures as detailed and shown on approved plans dated 1/23/20.

No other alterations to the property are approved herein. All work shall be consistent with the application and plans on file with the City Planning Division.

2. This decision may be appealed to the Landmarks Commission by properly filing with the City Planning Division a Notice of Appeal on a form furnished by the Planning Department. Such notice shall be filed within a fourteen (14) day period commencing from the date of the determination/posting of the property and ending on March 11, 2020.
3. This Certificate of Administrative Approval for foundation retrofit as enumerated above at 2634 Third Street shall be in full force and effect from and after the expiration of the appeal period following the rendering of the decision by the Landmarks Secretary. Pursuant to Landmarks Ordinance Section 9.58.040 (d), this approval shall expire in 18 months (coastal zone) if the authorized work is not commenced. In addition, this Certificate of Administrative Approval shall expire if the authorized work is suspended or abandoned for a 180-day period after being commenced.
4. Applicant is advised that projects in the California Coastal Zone may need approval of the California Coastal Commission prior to issuance of any building permits by the City of Santa Monica. Applicant is responsible for obtaining any such permits.

5. This determination shall be posted on the property for the duration of the appeal period.

| | |
|--|--------------------------------|
| Determination by: <u></u> | Date: <u>February 26, 2020</u> |
| Steve Mizokami Landmarks Commission Secretary | |

APPROVAL DATE:

February 26, 2020

EFFECTIVE DATE OF ACTION:

March 12, 2020

EXPIRATION DATE OF ACTION:

September 12, 2021

LENGTH OF ANY POSSIBLE EXTENSION OF EXPIRATION DATE:

Six (6) months maximum with Landmarks Commission Secretary approval.

Property Owner Acceptance

I agree to the above conditions of approval and acknowledge that failure to comply with any and all conditions shall constitute grounds for potential revocation of the permit approval.

FOUNDATION FLOOR PLAN

SCALE: 1/4"=1'-0"

SHEET #:
S-2

GENERAL NOTES

A. PURPOSE
The intent of this standard plan is to provide public safety and to reduce the risk of earthquake related damage in existing wood frame residential buildings. The requirements represented here are minimum prescriptive standards which do not represent the maximum level of seismic performance. These standards are intended to be used in conjunction with the provisions of the existing building code and are not intended to be used in lieu of the provisions of the existing building code. (See Chapter 18 of the Los Angeles Building Code.)

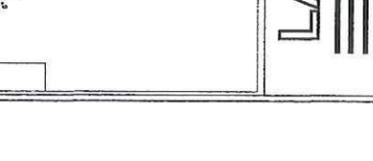

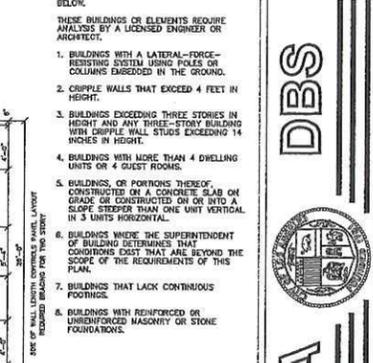

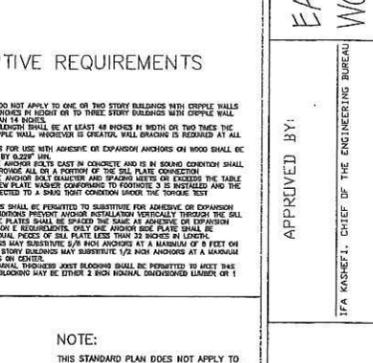

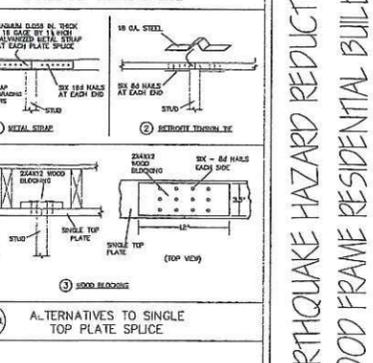

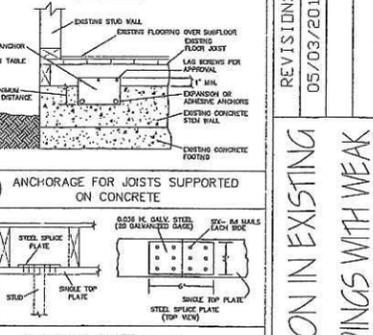

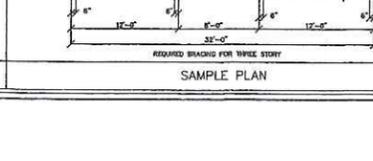

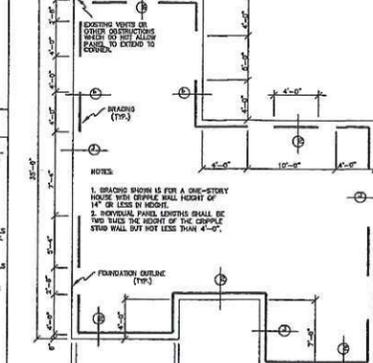

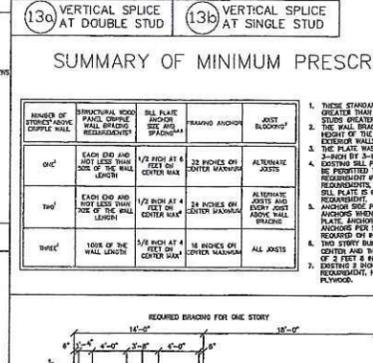

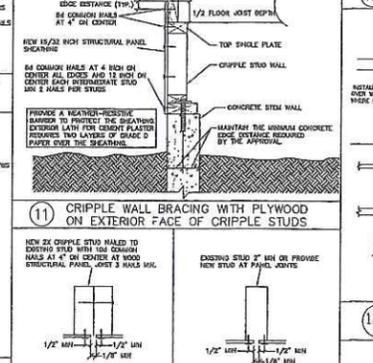

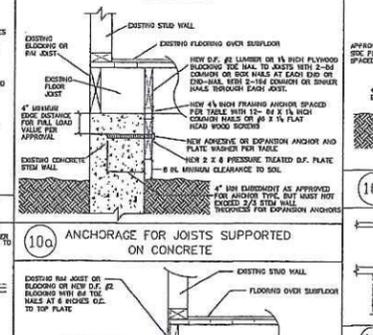

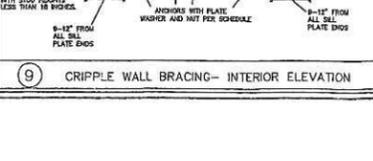

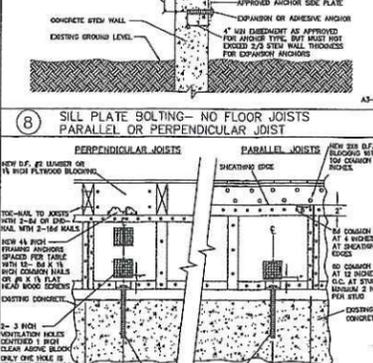

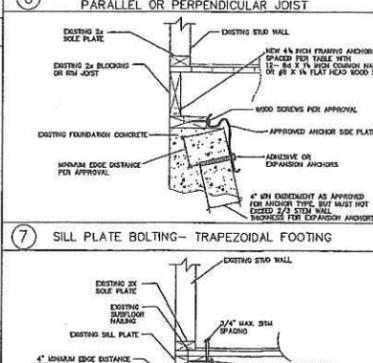

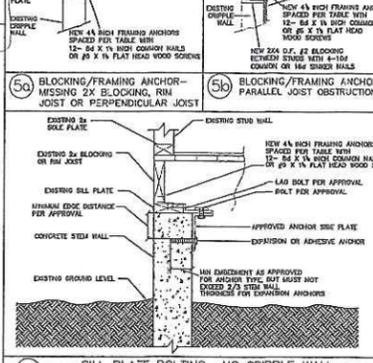

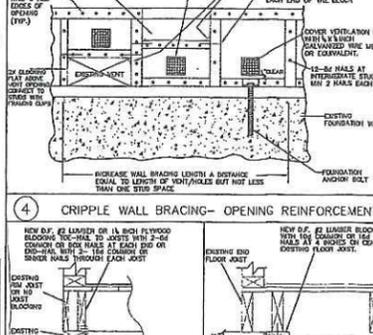

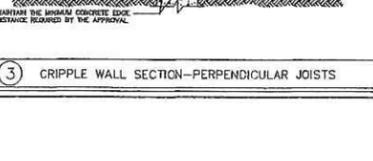

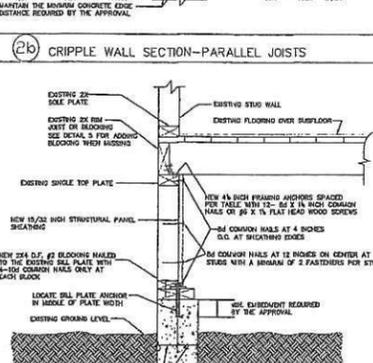

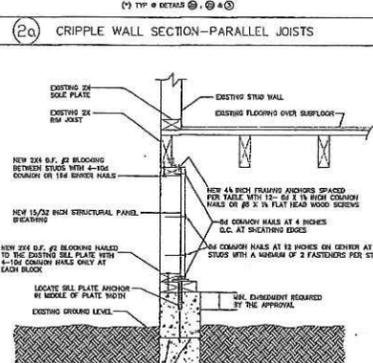

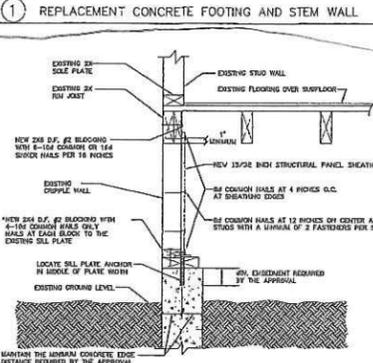

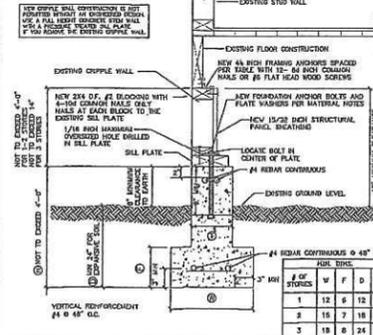

B. SCOPE
These standards apply to one, two and three story residential buildings with wood frame floors. They must meet the following criteria:
1) single and double story buildings with one or two story basements and do not exceed 10 feet total height in three story buildings
2) the building is supported by the foundation by a continuous concrete footing and stem wall
3) all of the floors in each story are of the same construction
4) the maximum number of dwelling units per floor does not exceed 12 units per floor
5) the entire work is completed with materials other than wood
6) the work is completed with materials other than wood
7) the work is completed with materials other than wood

C. GENERAL REQUIREMENTS
1. **PERMITS** - All work shown on these plans requires a building permit.
2. **INSPECTION REQUIREMENTS** - All building materials and placement of reinforcing steel and anchor bolts in formwork shall be inspected prior to pouring of concrete or reinforcement. Inspections shall be performed by a licensed professional engineer or architect.
3. **CONCRETE** - All concrete shall be placed in accordance with the provisions of the existing building code. The concrete shall be placed in accordance with the provisions of the existing building code. The concrete shall be placed in accordance with the provisions of the existing building code.

D. DEFINITIONS
1. **ANCHOR BOLT** - A fastener used to connect concrete to steel framing. It is a threaded rod with a nut and washer on one end and a hook or other device on the other end. It is used to anchor steel framing to concrete. It is used to anchor steel framing to concrete. It is used to anchor steel framing to concrete.

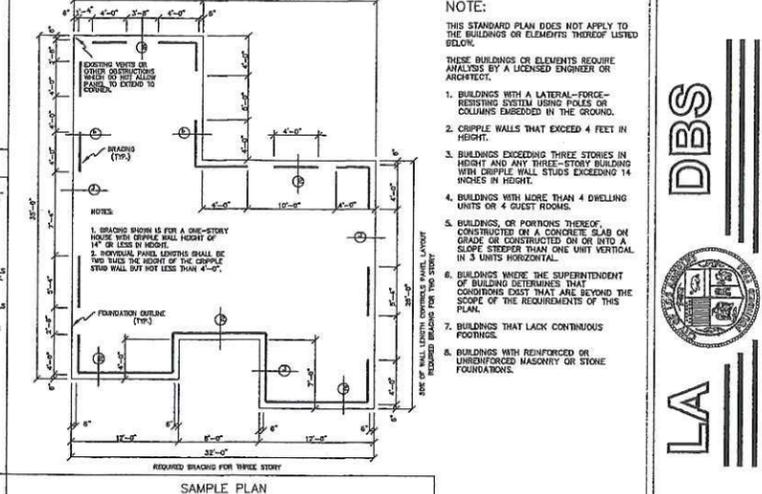

E. MATERIALS
1. **ANCHOR BOLTS** - All anchor bolts shall be made of steel and shall be galvanized. They shall be made of steel and shall be galvanized. They shall be made of steel and shall be galvanized.

F. REPLACEMENT OF EXISTING FOOTINGS & STEM WALLS
1. **REPLACEMENT OF EXISTING FOOTINGS & STEM WALLS** - This section describes the requirements for replacing existing footings and stem walls. It includes details for replacement concrete footing and stem wall, and replacement concrete footing and stem wall.

SUMMARY OF MINIMUM PRESCRIPTIVE REQUIREMENTS

| NUMBER OF EXISTING CRIPPLE WALL | MINIMUM JOIST SPACING (INCHES) | MINIMUM JOIST SIZE (INCHES) | MINIMUM JOIST TYPE | MINIMUM JOIST SUPPORT | MINIMUM JOIST BRACING |
|---------------------------------|--------------------------------|-----------------------------|--------------------|-----------------------|-----------------------|
| ONE | 16 | 2x4 | PLYWOOD | CONCRETE | NO BRACING |
| TWO | 16 | 2x4 | PLYWOOD | CONCRETE | NO BRACING |
| THREE | 16 | 2x4 | PLYWOOD | CONCRETE | NO BRACING |

NOTE:
THIS STANDARD PLAN DOES NOT APPLY TO THE FOLLOWING ELEMENTS IDENTIFIED BELOW:
1. BUILDINGS WITH A LATERAL-FORCE-RESISTING SYSTEM USING POLES OR COLUMNS EMBEDDED IN THE GROUND.
2. BUILDINGS THAT EXCEED 4 FEET IN HEIGHT.
3. BUILDINGS EXCEEDING THREE STORIES IN HEIGHT AND ANY THREE-STORY BUILDING EXCEEDING 14 INCHES IN HEIGHT.
4. BUILDINGS WITH MORE THAN 4 DWELLING UNITS OR 4 GUEST ROOMS.
5. BUILDINGS OR PORTIONS THEREOF CONSTRUCTED ON A CONCRETE SLAB ON GROUND OR CONCRETE ON OR INTO A SLOPE STEEPER THAN ONE UNIT VERTICAL IN 3 UNITS HORIZONTAL.
6. BUILDINGS WHERE THE SUPERINTENDENT OF BUILDING DETERMINES THAT THE CONDITIONS DICTATE THAT ARE BEYOND THE SCOPE OF THE REQUIREMENTS OF THIS PLAN.
7. BUILDINGS THAT LACK CONTINUOUS CONCRETE FOUNDATIONS.
8. BUILDINGS WITH REINFORCED OR UNREINFORCED MASONRY OR STONE FOUNDATIONS.

PROPOSED WORK: (Please include information on ALL materials and colors)
Foundation replacement without changes on the height of the building.

NOTES TO APPLICANT

Please complete all applicable sections of this application and submit all required materials. Incomplete applications will not be accepted for filing.

Landmarks Commission meets on the second Monday of each month.

The applicant, representative, or legal owner familiar with the project must be present at the Landmarks Commission meeting.

A decision on a project is rendered at the hearing. The Landmarks Commission may approve, conditionally approve, or deny an application.

All decisions by the Landmarks Commission are subject to a 10-day appeal period. An official appeal form and fee schedule is available at the City Planning Division Public Counter. Appealed projects will be scheduled for a hearing before the City Council.

BACKGROUND INFORMATION AND APPLICATION REQUIREMENTS

BACKGROUND INFORMATION

Existing use(s) of site: _____ Rent control status: _____

Existing Condition: Excellent Good Fair Deteriorated Ruins

APPLICATION REQUIREMENTS

- COPY OF ANY REQUIRED PLANNING PERMITS
- TEN (10) SETS OF LABELED COLOR PHOTOGRAPHS ON 8½" x 11" STOCK PAPER OR INCLUDED AS A SHEET IN ARCHITECTURAL PLANS (below). Show subject and adjacent properties including properties located across and alley or street. Color photocopies are acceptable. **Thirteen (13) Set are required for Third Street Neighborhood Historic District Applications**
- TEN (10) COLLATED SETS OF APPLICATION MATERIALS. **Thirteen (13) Set are required for Third Street Neighborhood Historic District Applications**

Architectural Plans Scale 1/8" or 1/4"; 8.5" x 11" to 24" x 36" Sheets (11" x 17" Preferred)

- **Elevations** (Complete elevations of each side of the existing building and separate elevations showing all proposed changes. Please include information such as exterior building materials, doors, fenestration, and design details.)
- **Project Rendering(s)**
- **Demolition Plans**
- **Project Site Location Map**

- MATERIAL/COLOR SAMPLES.** Please provide color and material samples of all proposed exterior materials and colors. If material samples are unavailable, product brochures, specification sheets, or color photos are acceptable.

For Staff Approval Certificates of Appropriateness Only:

- THREE (3) SETS OF LABELED COLOR PHOTOGRAPHS AS DESCRIBED ABOVE.
- THREE (3) COLLATED SETS OF ARCHITECTURAL PLANS AS DESCRIBED ABOVE.

For Third Street Neighborhood Historic District Applications Only:

- Photograph of Notice of Pending Application Sign**
A photograph verifying that the notice of the pending application has been posted on the property. This notice must be continuously posted until the appeal period has expired or a decision on the appeal has been rendered. Notice must be clearly posted at the front of the property and must be a minimum of 4' x 3' in size. Please see page 3.
- Written verification that the applicant has met with the Third Street Neighborhood Citizen Participation Committee (CPC) to discuss the project.** Please contact staff for the current list of members. This Certificate of Appropriateness Application package will also be sent to CPC members after filing.

I hereby certify that the information contained in this application is correct to the best of my knowledge and that this application is made with the knowledge and consent of the property owner.

NOTES TO APPLICANT

For more information, please refer to SMMC Section 9.56

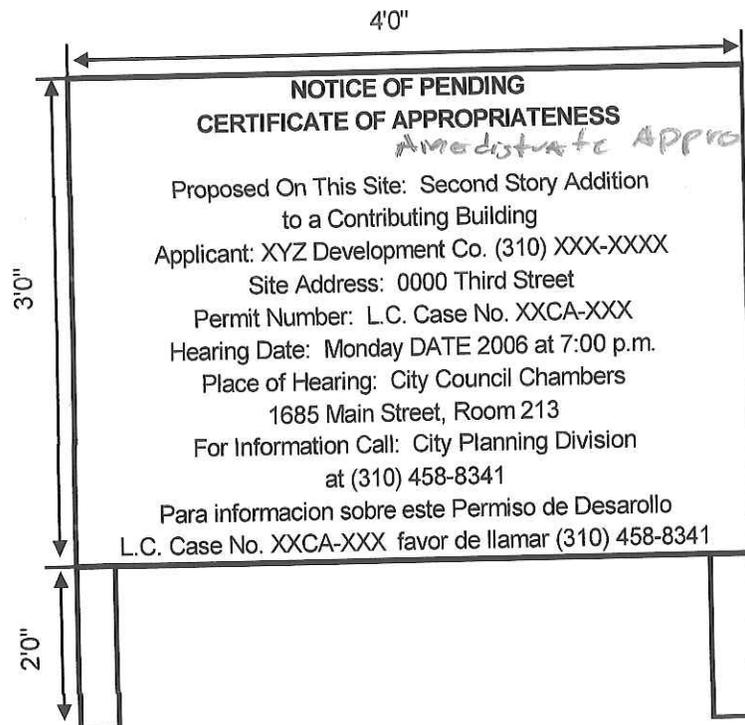

All applicants are encouraged to contact and describe the subject application to adjacent property owners and tenants prior to submittal.

SIGN POSTING REQUIREMENTS

For Application in the Third Street Neighborhood Historic District

The property shall be posted with a sign prior to filing the application. When the application is filed, the applicant must submit two photographs of the sign to verify its posting. One photograph must clearly show the sign text. The second photograph must show the location of the sign on the property. At least ten days prior to the public hearing date, the applicant must submit another photograph to verify that the project case number and the public hearing date have been correctly posted on the sign. Failure to submit this photograph shall be cause for the continuance of the hearing. The applicant shall also submit to the Zoning Administrator an affidavit verifying that the sign was posted on the site. Failure to post the sign, required information or conform to placement or graphic standards will result in delay of the application. The posting affidavit must be returned to the City Planning Division. The sign shall conform to the following requirements:

1. Size: Shall be twelve (12) square feet in sign area (generally three feet by four feet).
2. Height: Shall not exceed eight (8) feet from ground level.
3. Location: Not less than one (1) foot nor more than ten (10) feet inside the property line, in an area most visible to the public. Signs may be attached to a building at zero setback if none exists.
4. The sign shall not be illuminated.
5. Only one such sign may be displayed per street frontage unless otherwise permitted by the Building Officer.
6. The sign shall include only the following factual information:
 - a. Title: **NOTICE OF PENDING CERTIFICATE OF APPROPRIATENESS**
 - b. Landmarks Commission case number: (e.g. **L.C. Case No. 07CA-001**) To be inserted after application is filed.
 - c. Brief explanation of the request: (e.g. Proposed Second Story Addition to a Contributing Building OR Proposed Demolition of Rear Balcony on Second Floor; do not use descriptive words such as "luxurious", "elegant", etc.)
 - d. Name and telephone number of project proponent
 - e. Location of property
 - f. Permit number
 - g. Date, time, and location of public hearing to be inserted when hearing date has been sent. **If the hearing date is changed, the new hearing date must be marked on the sign.** Dates shall be changed for items appealed to the Planning Commission. The applicant is responsible for proper posting of the site.
 - h. City Planning Division phone number: (310) 458-8341
7. **The lettering style shall be a standard typeface (Helvetica or similar).** The lettering size shall be 2-inch capital letters for the title and project case number. All other letters shall be 1 inch in size and may be either capitals or upper and lower case. **All letters shall be black upon a white background.**
8. The signs shall remain in place until after the 10 day appeal period has passed following a final decision by the Landmarks Commission. If an appeal is filed, the sign shall remain in place, with the new hearing date noted, until the final decision by the Planning Commission. The sign shall be removed with ten (10) days of either the end of the appeal period or the final decision of the Planning Commission, whichever applies.
