WAIVER REQUEST

Pursuant to Santa Monica Municipal Code section 7.04.820(d), the City Engineer may grant a waiver of the City's underground utility requirement if one of the following conditions exist. **Select the condition below that corresponds to the reason for requesting a waiver:**

- Condition 1:** Topographical, soil, or any other conditions make underground installations unreasonable or impractical. Provide justification in the space below.

Note: The City will use the information provided above to determine if your project qualifies for a waiver under Condition 1. Please be detailed. Attach additional sheets if necessary.

- Condition 2:** The subject building or structure is served from the rear by utilities not located in the public right-of-way.

Is there a utility pole located on your property? Yes No

If you answered "Yes," provide documentation from Southern California Edison confirming that the utility pole located on your property cannot be used to provide underground utility service.

CERTIFICATION

I hereby certify that I am the owner of the subject property and that I am requesting a waiver of the City's underground utility requirement (SMMC 7.04.820). I have reviewed the subject application and authorize the contact person, if applicable, to make decisions that may affect my property as it pertains to the application.
