

COMMERCIAL RECYCLING SURVEY 2009-2010

The City of Santa Monica provides convenient recycling collection for Santa Monica businesses free of charge. As the City moves towards Zero Waste, expanding our recycling programs is imperative. In order to continue to provide our waste and recycling services at a low cost, it is very important to gather information on the locations serviced. Please assist the City in remaining a leader in the movement towards living and working "green" by completing this survey and returning it to the address below.
