Santa Monica's street sweeping operation will be conducted during the first full week of the month through the end of 2020. The City will continue to monitor health guidelines and service needs and may modify its operations if necessary.

Please observe the "No Parking" street signs for the specific street sweeping dates on your street. For example, if the "No Parking" sign indicates parking is prohibited on Tuesdays, please do not park on the street on Tuesday, 9/8, 10/6, 11/3, and 12/8 during the designated times.

No street sweeping services will be provided on Monday, 9/7, in observance of Labor Day. If you reside in a Monday sweeping zone, your street will be swept on the following Monday, 9/14.
