Fees for projects that do not fit into the specific land uses above will be calculated by the Water Resources Division

City of Los Angeles Wastewater Capital Facility Fees

As of July 1, 2008, the City began collecting City of Los Angeles Wastewater Capital Facility pass-through fees as required by our sewage treatment disposal contract.

Since the calculations for these fees are very specific to your existing and proposed land use, please call the Water Resources Engineer at (310) 458-8286 for the amount of the fee.
